

West Road Primary school Moorends Doncaster.

Governor Profile

Name: Joanne Semley

Category of Governor:

Associate Governor

Role(s) on governing body

Curriculum and standards Committee

I am the Deputy Headteacher at West Road Primary and proud to work alongside the other staff and governors at the school to provide the best possible education for the children of Moorends. I have previously worked at several schools throughout South Yorkshire, teaching across the primary age range and often being the Special Needs Co-ordinator and Inclusion Manager.

At West Road Primary, I have responsibility for safeguarding and inclusion at school and believe strongly that every child deserves to achieve their potential. Part of my role also involves ensuring children's social and emotional needs are met so that children are ready to learn. Our children's well-being and learning is a partnership between school and parents/ carers and we will continue to build on the strong links we have with families. We have an open door policy and welcome you into school to discuss any queries or concerns. I look forward to working with you.
