**Hub Coffee Mornings**

We are again holding our Coffee Morning in our Hub every Thursday morning at 9am. Please come and join us and enjoy a free cup of coffee and a free bacon sandwich. We look forward to seeing you there!

**Cbeebies Storytime App for Early Years**

It is imperative to your child’s development in reading that they read as much as they can at home with an adult or older sibling. The Cbeebies Storytime app is an excellent way to encourage your child to read. Cbeebies Storytime aims to make reading fun, with playful and imaginative stories designed to help support early years reading. Every story is brought to life with magical things to touch, swipe and play with. There are also questions to help develop comprehension skills, so you and your little ones can enjoy reading, playing and learning together.

The app has a library feature where you and your little ones will be able to choose and download more stories for free and when they are finished with these they can simply choose others. You can download Cbeebies Storytime via the **Apple**, **Google Play**, and **Amazon** app stores or you can find out more information about Cbeebies Storytime at [www.bbc.co.uk/cbeebies](http://www.bbc.co.uk/cbeebies).

**Jeans for Genes Day**

On Friday 23<sup>rd</sup> September we are supporting Jeans for Genes Day. Children can come to school in their jeans in return for a donation to this super charity. The money raised on Jeans for Genes day funds a range of initiatives that improve the quality of life of children affected by genetic disorders.
