 Attendance since September – 96.6%
 Class with best attendance this year – Sharks – 98.1%
 Number with 100% attendance since September - 226

If your child is too unwell to come to school, please phone the office to let us know. **Remember:** We need a reason for every absence within 48 hours or your child's absence will be unauthorised. Thank you to all parents who call in to report their child's absence!

Parent/Teacher Consultation Meetings

Our online appointment system is now live for you to book your appointment with your child's class teacher. It's very simple to use and you will be able to select an appointment time to suit you. Please visit the website at: <https://westroad.parenteveningsystem.co.uk>
 Should you require any assistance, please contact school.

Help Needed!

Do you have any spare time available when you could come into school to help? We are looking for willing volunteers to help us clear a currently unusable area on our school field and to help paint 2 lockups. We would be very grateful for any help that you can offer – tea/coffee and biscuits will be in plentiful supply! Please contact the office if you can help in any way. Thank you.

Key Areas for Improvement

As you know at West Road we are constantly striving to improve all that we do. It has been a wonderful start to the new school year, with all the children settling down to learning with enthusiasm and a ready smile. This year our key areas for improvement are:-

1. To raise achievement in English (Reading and Writing)
2. To raise achievement in Mathematics
3. To ensure good/outstanding EYFS provision
4. To sustainably close the gap between students supported by Pupil Premium and those who are not eligible.

If you have any ideas or suggestions in helping us to achieve our aims, please call in to speak to us or put your ideas in the Suggestion Box in the School Reception. You may also choose to attend our next Parent Partnership Committee Meeting - which will be held in November (date to be confirmed). Thank you for your continuing support.
