**After School Child Care and 30 Hours Nursery Provision**

We are looking at how we can better support our families. One of the routes we are exploring is to find out how many families would be interested in us offering an after school child care facility for children from all year groups.

Alongside of this, the government are planning to introduce 30 hours free early years childcare from September 2017, for parents who meet certain eligibility criteria set by the government. More information on the new scheme and the eligibility criteria can be found at:

<http://www.doncaster.gov.uk/services/schools/30-hour-free-entitlement> .

We are presently trying to estimate the numbers of parents who may be eligible/interested in either of the above schemes. Please complete and return the questionnaire that was recently sent home with your child or alternatively, a copy of the questionnaire can be found here:
