Year 6 Visit to Crucial Crew

On Tuesday, Year 6 visited the Life Wise Centre in Rotherham to take part in a range of activities and scenarios. These amazingly well resourced scenarios required the children to be actively involved in their learning, with their eight activities including: bus safety; AJ's internet café; first aid; the dangers of running away from home; arson; fire safety; road safety and role playing in a magistrates court. Delivered within what looked like a real film set, made up of current service providers from the NHS, Fire Service, Police and Magistrates Court. The children were very well behaved and thoroughly engaged in the scenarios and role playing activities throughout the day, taking on board some very important information whilst also learning a variety of skills that they may (but hopefully not!) need to put in place in an emergency.
