### **Governor Profile**

**Name:**

Julie Nassau

**Category of governor:**

Curriculum and Standards Team (CAST)

**Role(s) on governing body:**

Incorporating: Teaching and Learning, Curriculum, Partners, Admissions and Attendance.

I started out as a classroom parent volunteer 7 years ago and then went onto to be appointed Midday Supervisory Assistant, which I find very rewarding seeing the children go from strength to strength.

I have also started a "Cooking on a Budget" class on Thursday's 1pm till 2.30pm, where I advise parents on how to cook cheap, quick easy family meals either with Microwave or slow cooker and on the hob, which is going very well.

I also assist in the office when required doing all administrative duties.

In my personal life I am married with 2 children and enjoy dining out and taking my dog for walks along the coast so I get an ice-cream....

I decided to become a Parent Governor at this school because all the staff are motivated and caring and I feel that the school is just amazing. I also like being involved with the children and their development and how the school is growing.
