Year One Trip to the Yorkshire Wildlife Park

On Wednesday the Year One children enjoyed a trip to the Yorkshire Wildlife Park to enhance their learning around their new topic 'Paws, Claws and Whiskers'. They had an educational talk in the classrooms and got to handle real animal artefacts such as: claws, horns and camel fur. They were able to touch real cockroaches, giant land snails, a snake called cornflake and Leo the leopard gecko!

All children thoroughly enjoyed walking around the park seeing the range of different animals. They witnessed the otters playing, the giraffes being fed, the polar bears having a snooze in the mud, but they especially enjoyed getting up close to the wallabies and lemurs who had tiny babies.
