### Dino Day

Year One had a fantastic Dino day last week. They learned all about the different dinosaurs which once walked our lands and got to handle some real dinosaur artefacts!

They held dinosaur bones, claws, teeth and a real dinosaur egg. In the afternoon the children enjoyed recreating their very own fossils and digging for fossils, which they got to take home. **We still have some payments for the Dino workshop outstanding. Could we please ask that you come into the office to pay for this.** Thank you.

### Football News

On Wednesday afternoon, a group of year 5/6 boys took part in a football tournament at the Keepmoat.

Unfortunately, they didn't get through to the final but they showed great team work and played with determination despite the wind, rain and freezing temperature! Well done boys! Thank you to the parents who supported with this.
