

# West Road Primary School Moorends Doncaster

## **Governor Profile**

**Name:** Dawn Heneghan

**Category of Governor:**  
Staff Member

### **Role(s) on Governing Body:**

This is my third year at West Road Primary School. Previously to this I worked for 11 years as the Early Years Lead at Boothferry Road Primary school in Goole. My whole 27 years teaching experience has been in early years. There has been many changes within the early years at West road and we are continuing to develop it further and strive to make our provision outstanding in the future.
