

West Road Primary school Moorends Doncaster.
Governor Profile

Name

Nick Clarke

Category of governor

Co-Opted Governor

Role(s) on governing body

I T Governor

Finance and premises

I am a new governor at West Road Primary School. Initially I worked in a large secondary school as systems Manager I'm looking forward to getting to know the school staff and the other governors and seeing the good work that is done by all to make the school as good as it is. I have two children A boy and girl who take up most of my time. I'm currently in the process of setting up my own business.
