WEST ROAD PRIMARY SCHOOL IS 80 YEARS OLD!

West Road Primary School was officially opened in January 1939. To commemorate this, we had a day of celebration. The children were invited to come to school dressed as a child would dress in 1939. They took part in workshops and activities throughout the day to learn about life in 1939. It was wonderful to see everyone getting involved and enjoying the celebrations. Later in the afternoon the school was open to the general public for anyone wishing to join in our birthday celebrations. It was fabulous to see so many people and hear their amazing stories. One lady came and told us that she had attended West Road on the very first day when she had been 7 years old and is now 87! Another person wrote in our visitor's book of what a lovely experience it had been and how they had been transported back to 1957, recalling cherished moments of their childhood. Another wrote it was good coming back after 10 years, seeing how some areas of the school were different and how others never changed!

SUGGESTION BOX

- It has been reported in our suggestion box that recently the Hub had not been as clean as it should be for the parents attending the coffee morning. **This has been addressed and will be closely monitored in order to avoid this happening in the future.**
- We have received suggestions for places to go for this year's family trip. These are Wheelgate Park and Clifton Park. **These will be considered when we look at booking this year's family trip.**

100% ATTENDANCE INCENTIVE

On Wednesday 6th February we will be announcing one winner from each class who has achieved 100% attendance since the 7th January. The winners will then go for lunch at McDonalds on Tuesday 12th February. Good luck!

WINTER WEATHER

Please take care when walking into the playgrounds on icy mornings. Our caretaker is busy putting salt down to create a pathway from the gates to the doors but there will be other icy areas to look out for.

Tune into Trax FM for all the latest local information regarding traffic, travel, weather and any school closures.
