BRILLIANT CLUB

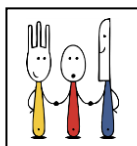

Our Brilliant Club children spent the day last Friday at Leeds University with other local children finding out about University Life. They are part of a project that means they will be working on a number of sessions in school with a PHD tutor. She will be helping them to write an assignment. At the end of the project their work will be celebrated with a graduation ceremony. This is a fantastic opportunity, so good luck to them all!

FOREST SCHOOL GRADUATION

This week the children who have completed the forest school intervention went to Doncaster College with their families for a graduation ceremony. They got their own graduation outfit to wear, went up on stage to collect their certificate and were given a goodie bag to take home. Both the children and the parents absolutely loved the event. The children's behaviour was amazing doing West Road proud!
