

Friday 3<sup>rd</sup> July 2020

Well another week is over and the summer break is fast approaching, but we are still having lots of fun in our bubbles at school.

In Class 12 and 11 bubbles, we have been asked

by a world famous monster expert - Professor Behemoth - to provide another entry for his '**Monsterology**' encyclopedia.

He has spent years researching all sorts of weird and wonderful monsters and has already documented a wide variety of beasts and Swamp monsters.

In Maths we have been learning about Place Value and Roman Numerals; we have been making up our own mathematical brain crunchers using both of the above.

In year 3,4 bubbles, we have been designing a Theme Park called '**Funderland**'. We have '**Four Million Pounds**' to spend so maths is an important part of our learning – so we don't exceed our budget! We also need ensure our fantastic Theme Park can be enjoyed by all the community of Moorends – so we are trying hard to include something for everyone in our designs and make them as exciting as possible! We cannot wait for the Design Technology Day, where we are going to create a miniature Funderland to present to **Ed Milliband**!

In Year 1 / 2 bubbles, we have been looking at alternative stories in literacy of 'Jack and The Beanstalk'. Interestingly, we have written character descriptions, compared stories and

even wrote our very own version of the fairy tale – and let me tell you they are **FANTASTIC!** In Maths, we have been looking at Place Value up to 100 as well as learning all about plants and their functions in Art and Science. All the children, including those in Year 1, have been really fantastic and a pleasure to have in our bubbles.

The children in Year 6, have been working together in groups in order to design, create and evaluate a brand new Theme Park. They have worked independently from start to finish and come up with some marvellous ideas. Also, they have been reading about palm oil and the effect it has on the planet.

In nursery, we have been learning about different vegetables; we read the story of Oliver's Vegetables and looked outside at the vegetables we have grown in our outside area. We then tasted some different vegetables - Miss Bradley was proud - as we all tried everything even though we thought we might not like it! Finally, we have also spent time playing outside on the MUGA and in Jenny's Wood – it really has been a fantastic week.

Finally, we hope all the children at home are busy with their online and home learning and we look forward to hearing all about what you have been up to when you return back to school.

Thanks Ms Woodward

### Quiz Answers – 26-6-20

1. b. Gemini
2. c. Colony
3. a. Orchid
4. a. Fox
5. b. Two
6. a. Ostrich
7. a. Silk
8. b. Duchess
9. b. Maps
10. a. 500

### Disney Quiz – 3-7-20

1. What is the name of Anna & Elsa's kingdom in Frozen?
2. "Pull the lever Kronk" is a line from which film released in 2000?
3. What is the address of the dentist office in which Nemo is kept in Finding Nemo?
4. What is the name of the prince Ariel falls in love with in The Little Mermaid?
5. Which Disney princess appeared on our screens first? Cinderella, Snow White or Aurora?
6. Who played the iconic role of the Genie in the 2019 live-action remake of Aladdin?
7. Where is Lilo & Stitch set?

8. In Wreck It Ralph, what is the name of the 'good guy' in Ralph's game?
9. In The Aristocats what is the name of the street cat who befriends Duchess & her kittens?
