WELCOME BACK!!!

We have been so excited to welcome everyone back, not only after the summer holidays but also for those who have not been in school since the 20th March! We have had a very positive start to the school year. Here is an overview of what we've been up to this week.

UKS2

It has been a busy three days for UKS2 and the teachers were all so excited to meet their new classes: Kensuke, The Highwayman and Bagheera class. The children have been completing lots of transition activities (and some little tests just to see what we remember) and we are all looking forward to next week where some classes are: swimming, having PE with Doncaster Rovers, completing lots of interactive Science activities, reading our class novel - Holes by Louis Sachar and generally having lots of fun learning.

LKS2

We have had an exciting transition week for LKS2 and the teachers and other members of staff were all so thrilled to meet their new children and share their class names: Hedwig, Tiger Lily and Paddington. The children have been getting to know their new peers, staff members and the way school is working in the new climate! They have all settled in really well and all of the teachers are so impressed with the work they are already producing and the way they are behaving, even after some of them have been off for half a year! We cannot wait to start the new school year, have lots of fun and learn so much more than we have ever learned before!

Year 2

In Year 2 this week we have been settling in to the new rules and routines of school. The children have been so grown up and mature and are definitely ready to continue their learning. They have been completing maths, writing, science and spelling activities. The children were also very excited to choose their new class names.

Year 1

This week Year 1 have done a fantastic job settling in to their new classrooms and outside area, quickly getting used to routines and their new teachers. We are very proud of them all and we are looking forward to learning about our new Topic 'Memory Box' and our class books next week.

PE Display

Miss Richardson will be creating a PE display and would like to put up some pictures of children completing any form of exercise. If you would like to send a photo in of your child then please do so next week.

Donation

A big thank you to the Co-op Thorne for another donation to early years. This cheque is towards a new mud kitchen for our little darlings!
