

West Road Primary School Moorends Doncaster

Governor Profile

Name

Patricia Woodward

Category of governor

Co-Opted Governor

Role(s) on governing body

Curriculum and standards

I was a teacher for many years having started in Hull. Then went overseas teaching in primary schools mostly catering to second language pupils, while generally following the English National Curriculum. Retired in 2012 and decided to try and do something useful in the community. I have been staggered by what is now expected of schools and amazed by the excellent work I have seen.
