### Free mobile data allowance increase – are you eligible?

To support children learning at home, the government has teamed up with mobile phone companies to offer free data for eligible children. The scheme temporarily increases data allowances for mobile phone users on certain networks. This is so that disadvantaged children and young people can access remote education if their face-to-face education is disrupted, and they do not have access to broadband at home.

To be eligible, you must meet all 3 of the following criteria:

- do not have fixed broadband at home
- cannot afford additional data for their devices
- and are experiencing disruption to their face-to-face education.

Children with access to a mobile phone on one of the following networks might be able to benefit:

- BT Mobile
- EE
- Lycamobile
- O2
- Sky Mobile
- SMARTY
- Tesco Mobile
- Three
- Virgin Mobile
- Vodafone

To make a request, please email the following information to [admin@westrd.doncaster.sch.uk](mailto:admin@westrd.doncaster.sch.uk)

- the name of the mobile phone account holder
- the number of the mobile device
- the mobile network of that device (for example Three)
- whether you pay monthly or pay as you go.

**If you are not eligible for the above and you are not able to provide an internet connection for your child's home learning, please still get in touch and we will endeavour to help you.**

### Message from Doncaster Council

Parents of children eligible for Free School Meals can apply for help towards their energy costs (gas & electric) through the Covid Winter Grant.

Many parents have already applied and received an award but many others have not.

Duplicate applications are not permitted but if anyone has not yet applied they can find more information and apply using this link;

<https://www.doncaster.gov.uk/doitonline/apply-for-a-covid-winter-grant>

In reception we have been learning about Chinese New Year. This year is the year of the ox! We

have been making dragons - they were amazing! We loved tasting the Chinese food and some even tried using chop sticks. The children have also made fans and had a go at Chinese fan dancing. In maths we have been comparing and measuring the lengths of dragons. Have a wonderful half term - we are so proud of how hard you have worked!

This week in year one we have been on an adventure to a dinosaur jungle and shared our experience through writing. We have made our own fossils and in Phonics we have learnt some new tricky words - remembering to 'Train Our Brain!' In maths we have consolidated all we have learnt this half-term. It has been a great half-term learning about the past and when dinosaurs roamed the earth.

In Year 2 this week we really enjoyed our DT challenge of designing a new ship. We had to make sure it met the design criteria and, more importantly,

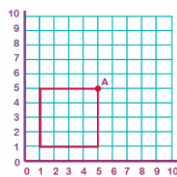

floated! We have been creating persuasive adverts for the Disney Dream ship in literacy. We loved the look of it and wish we could go on it.

This week in year 3/4 we have finished our balanced arguments on Fairtrade, there was lots of amazing writing from the children online and at

school and we all really enjoyed our debates prior to this. Miss Brumwell and Mrs Dixon have set us all a massive Design Technology challenge which is to make a Hindu place of worship: A Mandir. We are excited for the challenge and all our parents and carers at home to help make some wonderful temples! The children have been investigators during their science lessons; they have been investigating how much gas is in fizzy pop. We hope everyone stays safe over the holidays and we look forward to seeing you all in Spring 2.

This week in UKS2, the children have continued researching the Titanic and the aftermath of the disaster. They have combined their skills in ICT and writing to develop arguments in a class debate. They have been learning all about co-ordinates in maths and how to translate shapes on a grid. They have written their own rules to help to remember the steps of translation. The classes have also started work on a whole school competition based on places of worship. It is a DT based contest, and they have all been really creative, especially the children at home!

**Face Masks Reminder**

You **MUST** wear a face mask in the playgrounds and on school premises. Please help us to keep everyone safe.

**PE Days**  
PE Lessons will take place on the following days  
Reception – Monday  
Year 1 – Wednesday  
Year 2 – Thursday  
Years 3-6 – Tuesday

Please ensure your child has their PE Kit in school on these days

**Year 5 Swimming Lessons**  
**TEMPORARILY CANCELLED**

**Dinner Menu**  
Week Commencing  
22-02-2021  
Week 1
