Friday 19th March 2021

The photographer will be in school on Tuesday 23rd March taking individual photos. Unfortunately due to the current situation, we will not be able to invite pre-school children in for group photographs. However, if you have more than one child in school and would like a photo of them together, please notify the school office and we will make arrangements for this. Tempest, our photography company are launching contactless photography. This is designed to help schools to be more COVID secure. Tempest will contact parents either by text/email with a link so you can order online.

We are launching a brand new parent app called Weduc. This will include details of your child's attendance, useful forms, a school newsfeed and many more exciting features. Please look out for the enrolment letter sent by text or email next week and follow the instructions provided.

On Friday 26th March we will be holding a 'Wear a Hat to School Day' to raise funds for Brain Tumour Research. Children will be required to wear school uniform on the day but will be able to keep their hat on all day. We are asking for a voluntary £1 donation to raise funds for this fantastic cause.

wearahatday@braintumourresearch.org

In Reception we have had a busy week! We have been working hard on our phonics and have been doing lots of practise with our blending and segmenting. The children have been trying very hard with their handwriting too - they are all superstars! In maths we have been continuing exploring 9 and 10 and looking at different ways this is represented. Thank you to all the parents that made appointments for their child's progress meeting. Have a lovely weekend.

We have had a wonderful week in Year 1. We have been enjoying the sunshine and doing lots of learning outside. We have been on a wild-flower hunt and are continuing to measure our beanstalks, they are getting so tall! We have been making menus and recipes for our kitchen. We designed our own gardens and completed observational drawings of garden flowers.

In Year 2 the children have worked very hard this week, as always. In topic they have started to look at some expressionism art and associate colours with feelings. In science they have been considering how animals have adapted to their habitats. In PE they have been completing fun PE activities linked to School Games Week.

We have had an excellent week in LKS2 this week! We have participated in a 'Kings and Queens' day where all the children and staff

dressed as royalty and took part in activities throughout the day, learning all about the Kings and Queens throughout our history and how they changed England today! We have also been working hard in our assessments and the teachers are so proud of the scores that the children have been achieving, especially after the year we have had! They should all be super proud of themselves! Just one more week left until the Easter break, let's end this Spring term with a BANG!

In UKS2 this week we have been having fun looking at function outputs in Maths. We have also been looking at character descriptions in Literacy

and covering some mini tasks for Key Stage 3 (ready for secondary school). As well as the above, in DT, we have been learning about seasonal vegetables and the children are going to make their own soup. YUM, YUM! Everyone has done amazingly in their teacher assessment tests recently, and to celebrate we plan to have an Easter Egg hunt next week in Jenny's Woods - the teachers can't wait to hide all those lovely eggs!

Face Masks Reminder

You **MUST** wear a face mask in the playgrounds and on school premises. Please help us to keep everyone safe.

Dinner Menu
Week Commencing
22-03-2021
Week 2

PE Days

PE Lessons will take place on the following days

Reception – Monday

Year 1 – Wednesday

Year 2 – Thursday

Years 3-6 – Tuesday

Please ensure your child has their PE Kit in school on these days

**Year 5 Swimming Lessons
TEMPORARILY CANCELLED**
