

Friday 2nd July 2021

Reception have had a lovely week this week! We have been practising reading in class with a partner and sharing books. The children have been doing lots of exercise and enjoying dancing to Jumpstart Jonny and Cosmic yoga. All children have made a super effort with their phonic assessments too.

We have had a very arty week this week in Year 2. The children have enjoyed getting creative on an afternoon and have produced some fantastic art work linked

to the Olympics. In literacy they have written some great biographies about a famous Olympian. We are so proud of how hard the children have been working and how mature they are. They are definitely ready for Year 3 now!

This week in Year 1 we have been writing a letter to the World Wildlife Fund and Sir David Attenborough. In

Maths we have finished learning about money by counting coins and are now learning to tell the time. We have started our collage picture inspired by the sea and the artist Turner. In Science we have enjoyed identifying sources of light. We also had a lovely party during Golden Time where we celebrated everyone's birthdays from the year. Please can all children bring a plastic bag next week to take home their work and please can all reading books be returned by Tuesday as well as any phonic screening packs you may have. Have a lovely weekend from the Year 1 team.

Face Masks Reminder

You **MUST** wear a face mask in the playgrounds and on school premises. Please help us to keep everyone safe.

This week in LKS2, we have starting to write our own horror narratives. We are building our knowledge of different SPAG features such as personification, similes, onomatopoeias and metaphors as well as finding synonyms for lots of spooky words. In science, we have started looking at plants and we have completed an experiment to see what seeds need to grow. It has been interesting to find out all the different ways that seeds are dispersed for them to reproduce.

All households are now able to apply for the rapid flow tests. Please visit

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests> for more information and to order your household tests.

This week the Year 6s have been involved in a range of transition activities. They have started on a 'Dragon's Den' project (linked to Trinity) where they are creating business ideas to raise money for charity. All the classes have been learning more about wellbeing and online safety. The Year 5 swimmers have been developing essential survival skills, it sounds like they are having fun while they learn. The pupils were amazing when we recorded our performance for 'Sing Up!'. We have such a talented group of young people!

(We are)

Unstoppable

ParentPay

Please ensure payments are up to date on ParentPay. We do not offer credit and payments should be made in advance for dinner money, breakfast club and Pit-Stop. All debts should be cleared before the end of term.

PE Days

Dear Parent/Carer

Incidents Relating to Social Media

After a number of recent incidents outside of school relating to inappropriate use of social media, we urge you to look at the link below to support your child in understanding how serious inappropriate behaviour on social media is and what can happen if they are caught.

<https://www.ceop.police.uk/Safety-Centre/>

Over the next couple of weeks, our local Community Police Officer will be coming into school to discuss this with the children.

Thank you for your continued support.

Yours sincerely

Mrs J Woodward
Deputy Headteacher

25th June 2021

Dear Parent/Carer

Pit-Stop Summer Holiday Club 2021

We are delighted to be able to open our doors for the Summer holidays. Apart from the Bank Holiday Monday on 30th August when we will not be open, we will be open every day of the holiday from Monday 19th July to Wednesday 1st September inclusive. Active Fusion will be with us for the first two weeks of the holidays for children age 5 and over. Look out for the link by text to book in with Active Fusion directly. Our club will be open and running alongside Active Fusion should you not be lucky enough to secure a place.

All bookings and payments MUST be made in advance. For the Summer Club, we can only accept payments in cash. You must not use ParentPay to pay for the Summer Club as PitStop staff will not have access to this and will not be able to confirm your payment.

After the main school has closed for the summer, you can contact our PitStop team on 07592 815368 (available during PitStop hours) or email pitstop@westrd.doncaster.sch.uk to request a booking. Booking forms can be downloaded from our website under the letters home section - <http://westroadprimary.co.uk/letters-home/>. Your child will not be admitted into the club unless a cash payment and booking form have been received.

<u>Session & Price</u>		<u>Meals Provided</u>	<u>Meal to be provided by parent</u>
Full day – 8 am to 6 pm	£20	Breakfast & light tea	Packed lunch
Short day – 9 am – 3 pm	£10	No meals	Packed lunch
Morning session – 8 am to 1 pm	£10	Breakfast	Packed lunch
Afternoon session – 1 pm – 6 pm	£10	Light tea	Packed lunch

Staff will provide a child led environment, allowing the children to make choices from the varied activities we have on offer. Activities included in our weekly programme are arts and craft sessions, team games, baking, outdoor sports (weather permitting) and many more. Children are encouraged to try something new but we understand that not every activity suits every child and so an alternative is always available.

Places will be offered on a first come, first served basis.

Yours sincerely

Mrs K Thompson
Headteacher
