Family Winter Trip

We are currently making enquiries with The Cast Theatre, Doncaster, to arrange a family trip to see their Christmas Panto of Aladdin. Please look out for a letter coming home next week. Tickets are limited and are offered on a first come, first served basis.

This week in Year 1 we have been comparing numbers using the greater than, less than and equal to symbols. The children really enjoyed this learning

and their confidence has grown and grown. In Literacy, the children have explored instructional writing and we have linked this to the text 'Aliens Love Underpants'. Phonics is a huge focus in Year 1. Please encourage your child to read as much as possible and remember to sign their reading diary.

This week in LKS2 we have been super busy! We have been partitioning numbers in Maths using numbers up to 1000 and comparing and ordering them. We are extremely happy with the progress the children are making, especially in their weekly arithmetic test. We have also been practising our times tables and we hope parents and carers are supporting with this too, ready for their test at the end of Year 4! In Literacy we are beginning to explore narrative features and will be writing a setting description based on a Stone Age camp. We have been learning a lot about the geographical features of Doncaster and are beginning to compare them to other places in the world, it is very interesting!

Year 2 have had a super week. We have started reading Roald Dahl's The Twits and are enjoying it so much, we

don't want to put the book down! In Music, we have been practising singing and playing glockenspiels to a South African song. In Science, we have been learning about the digestion process and what happens to our food when we swallow it. In Geography, we have been studying maps and working on our own maps of the school.
