

Governor Profile

Name: Mr Adrian Turnpenny

Category of Governor: Trust Appointed

Role(s) on Governing Body: English PE/ Sports Premium.

Brief Description

As a resident of Thorne/Moorends all my life I am keen to contribute to one of the schools in my local area.

In my current role as Principal of Club Doncaster Sports College I work as part of a team which provides both Further and Higher Education sports courses to students aged 16 and over in partnership with DNGroup.

The college is based at the Eco-Power Stadium, home of Doncaster Rovers FC, and is part of Club Doncaster Foundation which is a charity that serves the local community. Thus, my current role, as well as being education based, has a strong community focus.

As a Governor, I am looking forward to positively contributing to West Road Primary Academy's continued success.
