Too Good To Go

Would you like to be a parent ambassador for mental health at West Road?

With Me In Mind are a NHS Mental Health Support Team who work within your child's school. We offer 1:1 therapeutic interventions, group work, and information events. We also offer **parents/carers intervention** to be able to support their child's mental health, a parent clinic and offer workshops and advice sessions. We are always looking for ways to improve our service and feel the best way to do this is to gain feedback from service users, so we are looking to recruit some **parent ambassadors**. This is a **voluntary role** that would involve an **hour long meeting once a term with WMIM Engagement Lead** to discuss how we can improve the support that is offered and offer a space for you to share feedback on our service. We would love to hear from parents from all backgrounds and experiences, it does not matter if your child has not worked with our service.

If you have any questions or would like to get involved, please feel free to contact the WMIM engagement lead, Katie Wood at katie.wood37@nhs.net or let Mrs Holloway know. Thank you 😊

In Nursery this week, we enjoyed celebrating Roald Dahl day with a special visitor - a tortoise! We have been reading part of the story Esio Trot by Roald Dahl which is all about a tortoise named Alfie. We were delighted to welcome new pupils and their parents for some Stay and Play sessions. The Reception pupils have continued reading Goldilocks and the Three Bears. In PSHE, they have been thinking about how they are feeling moving into Reception. Well done Early Years for another brilliant week!

Year 1 have had a lovely second week back. They have continued learning about Grandad's Island and have enjoyed predicting where Grandad is taking

Syd. In maths we have been recognising numbers as words, which we are finding very tricky! In geography, we have been learning about what an aerial view is and labelling images taken from an aerial view. We are loving having you all in Year 1!

This week in Year 2 we have continued to read our book "The Treasure of Pirate Frank", we thought about the main parts of the story and identified nouns in sentences.

During our maths sessions we have learnt about tens and ones, representing numbers in different ways. We all enjoyed Roald Dahl day and there were some fantastic costumes! During our English session we focused on the book "The Giraffe and the Pelly and Me" with the children writing some fantastic instructions about the window cleaning animals. In art we created some warm and cold colour circles based on Kandinsky. During our P.E sessions the children have focused on jogging, sprinting and dodging while playing a variety of games which they applied their skills to. Another super week in Year 2 well done!

This week Year 3-4 have been impressing once again. We have been completing some amazing work in maths and showing off our skills with some really in-depth knowledge surrounding place value. We have continued our work on Stone Age Boy where we are really building up a bank of solid information before we attempt to write our setting description in the next coming weeks. Finally, to sum up our amazing week the children all took part in our Roald Dahl day on Wednesday where we saw many amazing characters from his work.

UKS2 have had another fantastic week! Class 10 have had their first swimming lesson and represented the school brilliantly at Armthorpe Leisure Centre. Roald Dahl day was a blast! Many children and staff put so much effort into their outfits and some wonderful writing was produced by all pupils. It was a fantastic celebration of an author that we all love. Please remember that UKS2 PE days are Wednesday and Friday.

We have been contacted by the local police who wish to share this message in order to keep our children at West Road safe.

As a Primary school in our force area we would like to take this opportunity to contact you to raise concerns we have around inappropriate internet use by children starting with children as young as four.

With younger children the content these children are sharing tends to be on parents/carers accounts, who are completely unaware that this has happened until their account is locked, or they have a knock on the door from the Police.

Below are the statistics from our Force to illustrate the increase in this type of referral:

Last year 11 % of our referrals were for safeguarding concerns such as self-generated image uploads, sextortion and sexualised chat between a child and an adult. This year we have seen a huge increase in safeguarding referrals with 26% having been received in the first half of this year (Jan - Jun).

We're not entirely sure why there has been such a jump, but we suspect it is mainly due to online companies improving their safeguarding abilities in readiness for the internet safety bill so is likely to continue unless we can give education/ prevention advice to schools, parents and children.

There also appears to be a change in the gender of the children uploading, previously it was predominantly females now there is a pretty even split between the genders overall.

The largest age group for referrals were those aged between 4-7 and 63% of all of the safeguarding referrals were for children who were of primary school age.

Age Range	Males	Females	Total % of referrals for age group
4 to 7	15%	20%	35%
8 to 11	12%	17%	28%
12 to 15	23%	8%	32%
16+	5%	0%	5%
Total % for gender	55%	45%	

Please note the information in this email concerns behaviour of children much younger than we speak to and the information contained in this email is for **Parents/Carers of all children** to be aware of and act on, if required.

Please see links below for websites where up to date information can be obtained about internet issues, in-depth details around apps, platforms, etc that children may be using and also guides how to set up accounts safely.

Dear Parents / Carers

South Axholme Academy - Year 6 Open Evening, Thursday 21 September 2023

As parents/carers of children in Year 6, you will be thinking about which secondary school you would like them to go to in September 2024. At South Axholme Academy, we are holding our Year 6 Open Evening on Thursday 21 September 2023. During this evening you will have the opportunity to look around our academy and meet our amazing students and staff. The Academy serves students not only from the Isle of Axholme but Doncaster and North Nottinghamshire.

South Axholme Academy is the number one school in the area, according to the 'Good Schools Guide,' and we have been oversubscribed for the last five years with over 195 applicants for Year 7 places. We have an excellent reputation locally and further afield for the achievements of our students whether academic, vocational, sporting or cultural. Students also benefit from an outstanding programme of extra-curricular activities that cater for all interests and abilities.

We are holding three events on Thursday 21 September, and we are asking parents to arrive at the time which is linked to their area/primary school to avoid overcrowding - see below. Parents of children in Year 5 are also welcome to the event should they wish to attend.

After the presentations on Thursday 21 September, you and your child will have an opportunity to tour our academy, look at the facilities we have to offer, observe students engaging in a variety of learning activities and in some cases join in! In addition, members of staff will be on hand to talk to as well as myself and members of the Senior Leadership Team.

Event 1 – Please arrive at 5.30pm

We would like to invite you and your Year 6 child to attend our Open Evening for students from: -

THE AXHOLME ACADEMY OPEN EVENING

Wednesday, 20th September 2023

Dear Parents/Carers,

We are delighted to invite you to an Open Evening at The Axholme Academy. The purpose of the evening is to provide the opportunity for prospective students and their parents/carers to visit the Academy, see us at work and ask questions of staff and students. You will be able to tour various departments and see students and teachers demonstrating the way we teach in each subject and the resources we use to make learning a creative, stimulating and enjoyable experience for our students.

On September 8th, we welcomed our new Year 7 students and the year group is 'full'. Over recent years our Academy has continued to grow, a clear sign that our popularity continues to increase across a wide area. Whilst we are delighted to grow we remain a relatively small secondary Academy with all the advantages that brings in terms of us really knowing and understanding our students and enables us to provide a high quality, personalised, education.

PROGRAMME FOR OPEN EVENING WEDNESDAY 22ND SEPTEMBER

6:00pm Doors open for Year 5 and 6 pupils/parents. Guests will be provided with maps, an itinerary programme and prefects will be on hand to provide guidance.

There will be presentations from Mr Keogh (Principal), Miss Leigh (Head of year 7) and Student Leaders in the Main Hall at 6:15 pm, 6:50 pm and 7:20 pm. To ensure we can accommodate all visitors safely, the numbers in the main hall will be restricted to 120 for each presentation.

Refreshments will be available in the diner throughout the evening.

8:00pm Event ends

We will also be offering the opportunity to visit the Academy during our Open Mornings on Friday 22nd and Monday 25th September 9 - 11:30am, please email admin@theaxholmeacademy.com to book a place on one of our Open Mornings.

Staff and students are really looking forward to seeing you.

Yours sincerely,

D Keogh
Principal

E Leigh

14th September 2023

Dear Year 6 Parent/Carer,

The Snaith School Open Evening 2023

We are delighted to invite you to our School Open Evening on Thursday 5 October 2023. We appreciate how important choosing the right secondary school is for your child, and we hope you will join us and find out more about our great school.

Our school will be open between 4.30pm -7.30pm so that you can:

- Listen to the Headteacher who will share our core purpose and explain why we are such a popular school.
- Meet our strong team of staff including key pastoral staff who lead on the transition process.
- Speak to current Snaith School pupils who will share why they are so proud of their school, so that you can find out first-hand what it is like to be a pupil at our school.
- Tour the school, visiting each of our successful curriculum areas.
- Find out about the transfer process and school transport.

Many of the curriculum areas will be demonstrating their resources, pupils will be taking part in activities and there will be examples of pupils' work on display. Staff will also be available to answer any questions or queries that you may have.

During the evening, I will be holding a number of talks for parents, carers and pupils, along with Miss Baines, our Head of Lower School. These talks will give you a flavour of our wonderful school and the transition process. These will take place in the School Hall at 5pm, 6pm and 7pm.

If you would like to book a ticket for one of these talks, please follow the Eventbrite link below:

We are enormously proud of our school, its staff and pupils. I hope that like me, you will feel The Snaith School is the best school for your child and that the evening gives you a flavour of what we have to offer.

We are really looking forward to meeting you and beginning to develop a successful partnership with you and your child.

Yours faithfully,

Mrs H Yates
