Worried about a child? We are always here for our children, young people and families 24 hours a day, seven days a week, 365 days a year.

If you are worried about a child and wish to speak to a person you can contact us by calling 01302 737777, or in the evening or at weekends call 01302 796000. You can also record your concerns online at [www.doncasterchildrenstrust.co.uk/worried-about-a-child](http://www.doncasterchildrenstrust.co.uk/worried-about-a-child) - this can be done anonymously.

Does your child have a laptop at home to complete homework?

If your child requires a school laptop to complete their homework on Edshed and Times Table Rockstars, please let their class teacher know.

Would you like to be a parent ambassador for mental health at West Road?

With Me In Mind are a NHS Mental Health Support Team who work within your child's school. We offer 1:1 therapeutic interventions, group work, and information events. We also offer **parents/carers intervention** to be able to support their child's mental health, a parent clinic and offer workshops and advice sessions. We are always looking for ways to improve our service and feel the best way to do this is to gain feedback from service users, so we are looking to recruit some **parent ambassadors**. This is a **voluntary role** that would involve an **hour long meeting once a term with WMIM Engagement Lead** to discuss how we can improve the support that is offered and offer a space for you to share feedback on our service. We would love to hear from parents from all backgrounds and experiences, it does not matter if your child has not worked with our service.

If you have any questions or would like to get involved, please feel free to contact the WMIM engagement lead, Katie Wood at [katie.wood37@nhs.net](mailto:katie.wood37@nhs.net) or let Mrs Holloway know. Thank you ☺

The following website [www.toogoodtogo.co.uk](http://www.toogoodtogo.co.uk) is available for all parents to collect food from lots of local businesses at a reduced price. There is also an app available.

This week in Reception, the pupils have been identifying initial sounds in their literacy lessons based on the story of 'Here we are' by Oliver Jeffers. The pupils have loved gaining confidence in different ways to move during their PE lessons. The pupils have been creating their own faces in the DT area using crafting materials. The Nursery pupils have been learning about the colour yellow and identifying different objects in shades of yellow. In phonics, they have been focussing on action songs such as Humpty Dumpty. Well done EYFS for a brilliant week!

Year 3-4 this week have been working super hard once again showing again a desire to really improve in all aspects. In English we have been working again towards our narrative on the digestive system which will produce I'm sure some amazing pieces of work. In maths the children have continued their work on place value which has allowed children to gain a deeper understanding of numbers and their values. The children have finished the week by producing a beautiful piece of poetry and for National poetry day which all the children really loved.

Year 1 have had a fabulous week this week. In art, the children enjoyed painting sea pictures. In science, the children learned about how our senses send information to our brain. In English, the children are studying The Day the Crayons Quit. They are enjoying learning about the characters!

Another busy week in UKS2. In computing we have been working with a coding program, Scratch, we are learning how to

program themed music, this week it has been about space. We look forward to listening to each other's pieces of music once we have finished our creations. Also, this week in UKS2 we have had the privilege of being part of two live lessons with other schools across the UK. The first was as part of the Doncaster Green Read, we heard climate activist and Paralympian gold medallist - Ade Adepitan - read 'The Secret Garden Under the Sea and Seanna the Seahorse and Friends' to help us learn about seagrass. The second was an online Harvest Festival where we saw a cow give birth to a calf, so exciting! Today is National Poetry Day, to mark this we have looked at various poems and also created our own poems. Have a great weekend, enjoy the forecast sunshine. ☀️

In Year 2 this week we have started to read our new book "Spinderella". We looked at the front cover and blurb then made predictions about what we think will happen in the story. During our maths lessons we have been comparing objects and numbers using "less than", "greater than" and "equal to". On Wednesday we took part in "Harvest Live". We learnt about making an Indian dish using paneer cheese, spinach and onions. We were able to watch how they milked the cows and got the milk to make the cheese as well as learning how farmers grew spinach and onions. In science we learnt all about our digestive system and the different processes our food goes through, we even did an experiment to replicate some of the processes. Another super week for year 2. Well done everyone.
