

## Governor Profile

**Name:** Mrs Joanne Sherburn

**Category of Governor:** Trust Appointed

**Role(s) on Governing Body:**

### **Brief Description**

Having grown up in Moorends and working at West Road Primary Academy for over 17 years, as a teaching assistant, I feel a deep connection with the community.

If I am successful in becoming a governor, I will uphold that role with the ethos and values of the Trust in the forefront of my mind.

Although I have no experience for this role, what I do bring is enthusiasm, a willingness to collaborate for the good of the school, and more importantly, pupils, and a can-d attitude to ensure the right decisions are made for all.

It is exciting to think that I can still be a part of the community by becoming a governor and I have no issue in providing a candid view that is both constructive and respectful of others. I am willing to seek training and advice from others to enable me to fulfil this role to the best of my ability.
