## 7th March 2025

### Class News

This week in Nursery, this week the pupils have been learning to rhyme in Phonics by repeating rhyming strings such as cat, hat, mat. In maths, we have been counting to five, knowing that the last number is the total.

In Reception, we have enjoyed sharing our favourite book characters as part of World Book day. In maths, we have been learning about 9 and 10. In English, we have had fun continuing our learning about the story 'The Queen's Hat'. Well done, EYFS for a super week.

This week in KS1, we really enjoyed dressing up and learning about our characters careers on World Book Day. We loved sharing them in assembly to the rest of the school. This week was also Careers Week. We are grateful for having Mr Thompson come in to speak to us about his job in security. Year 1 had Suzanne, the dinner lady, come to talk about her career in the kitchen. Did you know they cooked 485 fish fingers last week?

This week in LKS2, we have had a fantastic week where the children have been taking on various challenges and showing real resilience. Firstly, they have started their Spring tests where people have come out shining showing real progression from their Autumn scores. We have also enjoyed our work on careers week which saw the children have different visitors from both the police and a visitor from the world of technology which the children loved. Finally, the children all had fantastic fun showing off their outfits for World Book Day and did themselves proud with their knowledge of their characters.

This week in UKS2, we have been exploring different careers and have attended the Opportunities Doncaster Careers Fair. Our visit around Yorkshire Wildlife Park was a great success and we were able to identify different jobs that we could do in the future.

### Upcoming dates for diaries:

### Staff shout outs

UKS2 staff for their amazing efforts on the trip to the Yorkshire Wildlife Park

## Messages from Ms Woodward

Sadly, I have to inform you that Miss Krajnik is moving on to her next venture after Easter. She has been a great addition to the West Road teaching team and the staff, children and parents will be very sorry to say goodbye. However, she is moving house and job and we know it is the right decision for her and her new fiancé, and we would like to take this opportunity to wish them well in the future. We all love you Miss K!

## Baby News!

Miss Hartshorne is having a baby boy! All the staff at West Road are excited to get their knitting needles out and we wish her, and her partner, all the very best luck for a safe and happy pregnancy. Thank goodness she will be with us 'til the end of the academic year and we all have time to knit those baby blue clothes!

## Easter Egg Bonanza

Please donate an Easter Egg (small, medium or large) for our whole-school Easter Egg raffle, the last week of this term. The more eggs donated by staff and parents, the more raffle prizes we will have to give out to the children in our Easter Assembly on the last week of term.

All money raised will go towards the end of year whole-school treat for ALL the children at West Road. None of the monies raised will go into school funds.

Raffle tickets will go on sale next week in the playgrounds and at the admin office. Please donate an Easter egg or buy a raffle ticket (or both!).

I appreciate money is tight but money raised goes to the best cause - 'The Children of West Road Primary Academy'.

## Eat Them to Defeat Them Week

Following on from the packs distributed to pupils earlier this week, lunchtime staff, teachers and teaching assistants have stickers to give out to children who try out new vegetables during their lunches next week. Therefore, please encourage your child to participate in this fun activity. See poster for more details.

## Great Athletes

We are thrilled to be able to share some more information about our upcoming Great Athletes event. We are excited to announce that the athlete who will be visiting us will be **Sean Gaffney!**

On the event day (Wednesday 12<sup>th</sup> March), all pupils will take part in a sponsored fitness circuit run by their athlete, a terrific way to get all children excited about sport and realise that getting moving is really fun! Their athlete will then share their incredible sporting journey, a story of resilience and determination in a fun and interactive assembly. There will also be an opportunity to ask any burning questions in a Q&A session with their inspiring role-model at the end!

All children should have been given a sponsorship form. Please ask your child's class teacher if you have not received this. The money raised for the event will help us to purchase new sports equipment and improve levels of physical activity in our school!

Children from year 5 have returned from a fantastic three days on their residential trip at Kingswood.

Over the three days, the children had such a magical experience and faced many obstacles and fears!

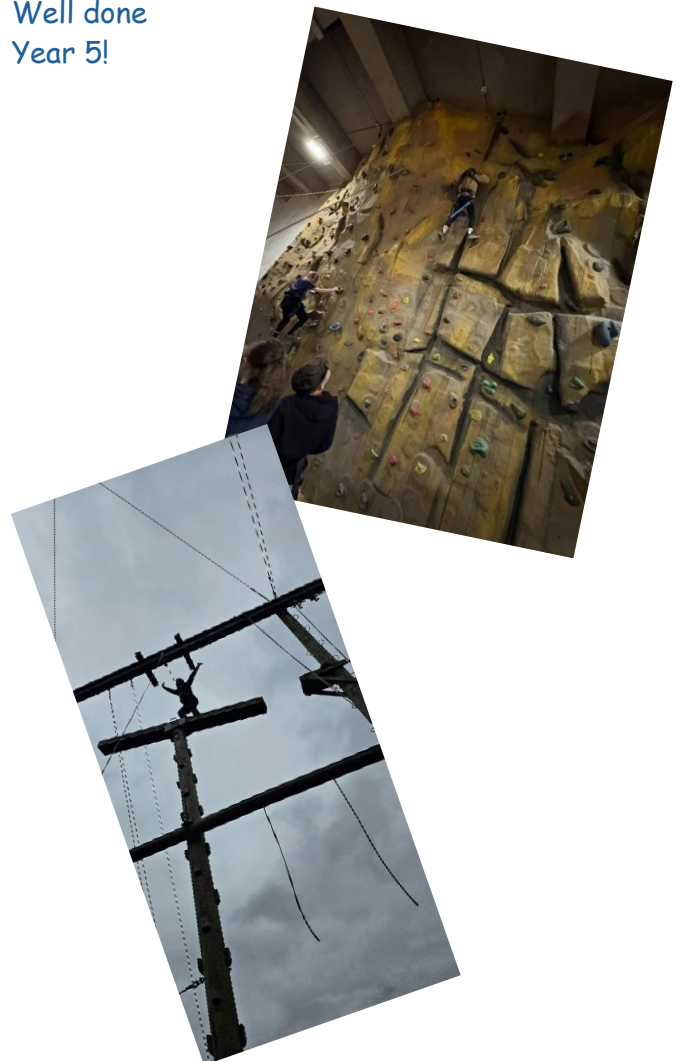

The children tackled heights by climbing up the high ropes and zipping across the sky on the zip wire; they worked together and developed their teamwork skills during bush craft and the climbing wall and had some great fun singing around the campfire and in the Mini Olympics.

There were many competitive moments between the staff and the children between who could get higher on the high ropes. Once they were stood on the seesaw at the top, it appeared that only the staff had shaky knees while the children bravely held their hands up!

Over the days we saw a huge growth of resilience and maturity with the children. They faced many fears, tackled new experiences and we were so very impressed with each of them. Well done Year 5!

## Attendance

Due to the high volume of child absences on Mondays and Fridays, we will now be implementing home visits on both of these days.

This week, our attendance percentage across school is 96.4%. This is a slight decrease from the attendance last week!

1<sup>st</sup> place - Sharks with 100%

2<sup>nd</sup> place - Jellyfish with 99.4% attendance

3<sup>rd</sup> place - Spider Monkeys with 99.1% attendance

Sharks have a non-uniform day next Friday, and will be treated to some sweets.

## New Changes to Fixed Penalty Fines

Any holidays from September will be under new guidance from Doncaster Council. This guidance is available online, on our website and in the link sent out last week. Also, those who will be fined are:

- all natural parents, whether they are married or not
- all those whose have parental responsibility for a child or young person
- those who have day to day responsibility for the child (i.e. lives with and looks after the child).

It is important to remember that any fine issued by Doncaster Council does not benefit the school, financially. The school is accountable by Ofsted and Doncaster Council to raise the profile of attendance and decrease the number of persistently absent children, and we will continue to work alongside parents to do that.

If you wish to discuss your child's attendance further, or express any concerns about our attendance procedures, please feel free to contact Ms Woodward.

## School Procedures for Absentees

### First Day of Absence:

The Attendance Officer (AO) will review registers on a daily basis, between 9:00am and 9:30am, noting any children absent without a reason being provided. At 9:30am the AO will ring parent(s) on the contact list. If they have still not heard from the parent(s) or contacts on the list, the AO will send a text message to the parent(s) explaining if they do not contact the school within the next 30 minutes, to explain their child's absence, a home visit may well be conducted by the Designated Safeguarding Team.

If still the Designated Safeguarding Lead does not get a response from the parent(s) after a home visit, a home visit may well be conducted

List, that is absent and we have received no explanation from a parent after ringing every contact on the contact list, will have a visit from the Designated Safeguarding Team. Should there be no response from the home visit, a call to Social Care and the Police will be made.

### Parents' Legal Responsibilities:

Parents have a legal responsibility to ensure that their child/ren attend school and are responsible for the consequences of non-attendance.

Support will be offered. This will be communicated to parents through the school prospectus, Home/School Agreements, regular items on school newsletters and Friday letters. Meetings will be arranged with those parents

whose child/ren have a pattern of absence or attendance falls below 95%.

These will all develop your understanding of parents' legal responsibilities along with involvement in the School Attendance Panel process where attendance shows no sign of improvements.

For more information, please refer to the attendance policy on our school website.

### Nut Free School

We would like to remind parent/carers whose children have packed lunches that we are nut free school. This means packed lunches should **not** have any food items which contain nuts.

### Hand Sanitiser

Now that we are coming to the season where there are colds and other viruses and bugs are doing the rounds, we are ensuring that hand sanitiser is in every classroom, office and toilet area for all to use. Parents are asked to make school aware if their child has a skin condition/allergy which prevents them from using the school sanitiser.

### Email Addresses

Should you wish to contact your child's class teacher you can do so by emailing the class email. However, this should not be used to report a child absent. All absence calls should be made to the school office.

### Important Notices

- Parent/Carers and those collecting children at the end of the day need to remain behind the cones. A member of SLT and/or a TA will be available to speak to if you have any concerns.
- Now that the icy weather is upon us, it is important to stick to gritted paths, for H&S reasons, when entering and leaving the school site.
- For H&S and safeguarding reasons, playgrounds will be open from 8:35am.
- To keep children and others safe, parents/carers must ensure their child/ren do not run around, ride their bicycles/scooters, etc whilst on the school site. Again, this is for H&S reasons.

### Headlice

Parents/Carers are advised to check their child's hair regularly for head lice. If found, please treat accordingly.

### Facebook

Please follow us on Facebook to keep up to date with events happening in school.

### Parent Governor

Apply to be a parent governor at WRPA. If you feel you have the passion and commitment to be a parent governor, please contact Julie Woodward, Headteacher, via the admin email address: [admin@westrd.doncaster.sch.uk](mailto:admin@westrd.doncaster.sch.uk)

## Online Safeguarding Age Restriction

We have had a number of incidents in school where children are accessing inappropriate websites and APPs, sharing personal information. Please see age restrictions posters below:-

**Age Restrictions for Social Media Platforms**

**13** is the minimum age for account holders on these social media sites and apps.

## Apply for Pupil Premium

For parents in EYFS, use the link below to see if your child is eligible for pupil premium funding. The webpage is: <https://www.gov.uk/get-extra-early-years-funding>. For parents across school, follow the link below to see if your child is eligible for pupil premium funding: [Pupil premium: overview - GOV.UK \(www.gov.uk\)](#). Alternatively, ask a member of the admin team at the main school reception desk. You will need to bring in a mobile with internet access and have your government gateway log-in details (if you have one).

All new pupil premium applicants will receive a £20 Amazon gift voucher from school.

## Meditracker

Reminder to parents/carers that Meditracker is our online first aid reporting system that automatically alerts parents/carers of any first aid incident in school via parents' personal email. Bumped head incidents will still require a member of staff to phone home to ask a parent/carer to come to school to check their child.

It is imperative that parents check that their email service is in working order. Please contact the admin office with any updated contact information.

## Pitstop

A gentle reminder that the charge for the afterschool provision has increased to £6 per session, per child. In addition, any parent/carer wishing to book their child/children into Pitstop need to do so 24 hours in advance. This is to ensure that we have enough staff and resources for each session. In addition, if parents/carers are late in collecting their child from Pitstop, the £5 penalty will also be chargeable.

We are excited to announce that B. Ware will be visiting school on Thursday 19<sup>th</sup> June with 'WARNING: May Contain Dragons' - her second children's book (suitable for all ages).

If parents wish to, they can purchase a copy via [linktr.ee/bwareauthor](http://linktr.ee/bwareauthor) which their child can bring along on the day for the author to sign (it's currently on offer on Amazon for £8.15). B. Ware will also be selling signed copies at the retail price of £8.99 (via cash or card payments) at the end of the school day. Simply send your child in with cash in an envelope on the day (change will be available), or pop by the stall in the playground at home time.

### Prom '25

The Prom '25 Parent Group are looking for volunteers to support with fundraising for this year's Y6 leavers' prom. If you are able to help, please contact Sheraleigh Clarke via the email admin address: [admin@westrd.doncaster.sch.uk](mailto:admin@westrd.doncaster.sch.uk) (add in the subject bar "Prom '25").

### Toddler Group

If you are interested in coming along to join in the fun, please message Sheraleigh or just turn up on Monday morning at 9:30am.

*"Pupils at West Road Primary Academy are proud to be part of the school community."*

We are proud of some of the comments Ofsted said about our school.

## West Road PRIMARY ACADEMY

Throughout the school, there is a strong sense of togetherness among pupils.

There is a respectful culture in the school.

Children in the early years get off to a strong start to their education.

The school ensures that reading is at the heart of the curriculum.

Pupils know the importance of being tolerant and treating others with respect.

## Trust Pledges

Our Brighter Futures Learning Partnership Trust (BFLPT) Pledges have been co-constructed with our schools to support the development of the whole child. We want our students and pupils to leave our Trust with the knowledge, confidence and skills to be successful in the future so they can access high quality careers and fulfil their dreams and ambitions.

We have high expectations of our children and young people in terms of their behaviour and attitudes, with a strong focus on good manners, reliability, and punctuality. We also expect them to commit to the following pledges which will take learning beyond the boundaries of traditional learning, helping them widen their school experiences and become active citizens. Our pledges will also ensure that all young people can benefit from the same experiences and opportunities to help them have a rewarding and fulfilling life.

The pledges will enable children to participate actively, lead by example and commit to the service of others.

Our Pledges:

1. **Fully participate in the life of the school** – this could mean being part of the school leadership, making a difference to other pupils in the school, leading on an initiative such as ECO schools, leading a reading group, leading a debate, writing a school play, taking on an ambassadorial role either in school or out, learn to ride a bike or lead a healthy school's initiative.
2. **Participate in at least 3 assemblies** or contribute to organising a class activity or key event in the school.
3. **Engage in an activity / participate in a community-based project.**
4. **Attend an experience/ visit that extends beyond the curriculum** and that is outside of the child's familiar context or Doncaster.
5. **Take part either on stage or behind the scenes in a school production.**
6. **Be an advocate for the environment and sustainability of the school and beyond** – this could include completing regular litter picks, improving the school environment, help organise a recycling scheme, lead a gardening/environmental project.
7. **Plan, organise and participate in a fundraising event** which is pupil led.
8. **Represent the Trust in a sporting, cultural or academic event.**
9. **Take part in a residential trip.**
10. **Visit a place of significant cultural difference within the UK.**
11. **Take part in a formal presentation to an audience-** this may include learning a group dance, reciting poetry, singing a song in assembly, playing a musical instrument.
12. **Be enterprising** – this may include selling something you have made, opening and run a school shop, raising money for charity, taking part in service outside the school such as scouts, police cadets.

## Social Media Influencers

### What is an Influencer?

An influencer is somebody on a social media platform such as YouTube and Instagram, who have a high number of followers. Influencers share their opinions/ideas and may be paid to advertise/promote products through their account.

### What should I be concerned about?

Whilst there are some great influencers, there are some that choose to share content that is for example, misogynistic, racist or misleading. These opinions can be expressed or interpreted as fact, so it is important to talk to your child and encourage them to fact check and critically analyse what they see and hear online.

### What we see on social media

What we see is influenced by algorithms, which predict what type of content we are most likely to interact with. Whilst there are benefits of algorithms, it can mean that once we start looking at certain content, our social media feed can become more aligned with that opinion, creating an echo chamber and therefore we do not see a balanced picture. Find out more here: <https://www.childnet.com/blog/algorithms/>

### What can I do to help my child?

Talk to your child about social media and who they follow. If there is anybody that you are unsure of, then check their feed and discuss with your child if you find anything worrying.

### Further information

<https://swgf.org.uk/topics/social-media/>

## Fortnite Battle Royale

Fortnite Battle Royale is rated PEGI 12 due to moderate violence, meaning it is not suitable for children under the age of 12.

### What is Fortnite?

There are different versions of Fortnite, including Fortnite Battle Royale, which is free to play (although it contains in-app purchases). In Battle Royale, up to one hundred players compete against each other until one winner remains.

### What do I need to be aware of?

- **Chatting and inappropriate language:** Fortnite includes voice and text chat, which may mean your child encounters strangers and may hear inappropriate language. Ensure your child knows how to report/block any players that make them feel uncomfortable.
- **In app purchases:** Players can purchase V-Bucks so make sure you restrict purchases and do not store your card details.

### Parental Controls

Fortnite provides several parental controls in your child's Epic account to help you create a safer environment for your child. The controls allow you to:

- disable voice chat
- filter language
- manage which experiences your child can access based on their age
- set a PIN to add friends
- set a PIN for purchases
- set time limits
- set appropriate privacy settings.

Also, remember to set up age-appropriate parental controls on the device your child is playing on.

### Reporting/Blocking Features

As always, ensure your child knows how to use the reporting and blocking features and that they know they should talk to you or another trusted adult if anything concerns them.

### Further information

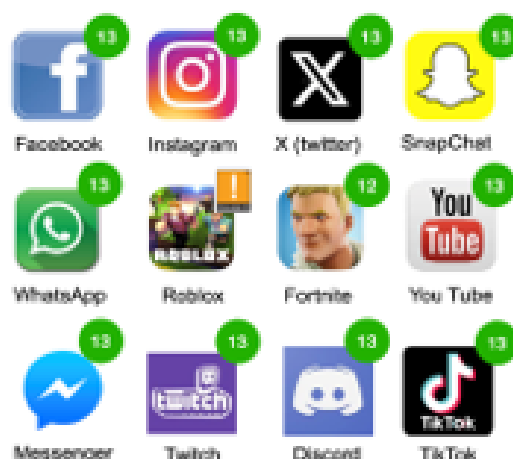

You can find out more here:

- <https://safety.epicgames.com/en-US/parental-controls>

## Get to know age ratings

Age ratings exist to help protect your child, so we thought we'd provide you with a little reminder of how important it is to check the age ratings of what your child is accessing online. Here are the age ratings of some of the more popular apps that young people are accessing.

Whether your child is viewing films, accessing apps, playing games online or using social media – make sure you check the age rating first to see if your child is old enough. In addition, the likes of PEGI (Pan European Game Information) provide further content descriptors, which will give you an indication of the type of content that your child might view e.g. violence or bad language.

### What else should I review?

It is important to note that whilst age ratings do allow you to see if something may be appropriate for your child, it is also important to review the content yourself. This will allow you to make an informed decision as to whether it is suitable for your child to access and if it would be beneficial to apply further parental controls. For example, does it include the ability to communicate with others and are in game/app purchases available?

### What else can I do?

- Explain the importance of age ratings to your child and how they protect them.
- Go online together to see what your child is accessing.
- Set up parental controls on your broadband, devices and on any individual apps that your child is using. This will reduce the chances of them accessing or viewing anything unsuitable.
- Chat to your child regularly about what they are doing online and as always, remind your child that if anything is worrying them then they should talk to you or another trusted adult.

### Further information

## Smartphone Free Childhood

Smartphone Free Childhood is a parent-led movement whose mission is to protect children from the dangers of using smartphones too young.

The premise behind this movement is that all parents/careers of a class all agree not to give their children smartphones (therefore the level of peer pressure is reduced) for a set time or until a specific age. Are you ready to join? Find out more here:

<https://smartphonefreechildhood.co.uk>

## Digital differences between men and women revealed

Ofcom have released their annual report into our daily habits. The findings show that women and teenage girls are more worried about online harms. You can read the full report here:

## X (Twitter) Checklist

You should be at least 13 years of age to have a Twitter account. The SWGfL have created a free Privacy and Security checklist for you to download. The resource is available here:
