

# Friday Newsletter

## 28th February 2025

### Attendance

Due to the high volume of child absences on Mondays and Fridays, we will now be implementing home visits on both of these days.

This week, our attendance percentage across school is 97.4%. This is an increase from the attendance last week!

1<sup>st</sup> place - Eagles with 100%

2<sup>nd</sup> place - Honey Bees with 98.8% attendance

3<sup>rd</sup> place - Jellyfish with 98.4% attendance

Eagles have a non-uniform day next Friday, and will be treated to some sweets.

### New Changes to Fixed Penalty Fines

Any holidays from September will be under new guidance from Doncaster Council. This guidance is available online, on our website and in the link sent out last week. Also, those who will be fined are:

- all natural parents, whether they are married or not
- all those whose have parental responsibility for a child or young person
- those who have day to day responsibility for the child (i.e. lives with and looks after the child).

It is important to remember that any fine issued by Doncaster Council does not benefit the school, financially. The school is accountable by Ofsted and Doncaster Council to raise the profile of attendance and decrease the number of persistently absent children, and we will continue to work alongside parents to do that.

If you wish to discuss your child's attendance further, or express any concerns about our attendance procedures, please feel free to contact Ms Woodward.

### School Procedures for Absentees

#### First Day of Absence:

The Attendance Officer (AO) will review registers on a daily basis, between 9:00am and 9:30am, noting any children absent without a reason being provided. At 9:30am the AO will ring parent(s) on the contact list. If they have still not heard from the parent(s) or contacts on the list, the AO will send a text message to the parent(s) explaining if they do not contact the school within the next 30 minutes, to explain their child's absence, a home visit may well be conducted by the Designated Safeguarding Team.

If still the Designated Safeguarding Lead does not get a response from the parent(s) after a home visit, a home visit may well be conducted

List, that is absent and we have received no explanation from a parent after ringing every contact on the contact list, will have a visit from the Designated Safeguarding Team. Should there be no response from the home visit, a call to Social Care and the Police will be made.

#### Parents' Legal Responsibilities:

Parents have a legal responsibility to ensure that their child/ren attend school and are responsible for the consequences of non-attendance.

Support will be offered. This will be communicated to parents through the school prospectus, Home/School Agreements, regular items on school newsletters and Friday letters. Meetings will be arranged with those parents whose child/ren have a pattern of absence or attendance falls below 95%.

These will all develop your understanding of parents' legal responsibilities along with involvement in the School Attendance Panel process where attendance shows no sign of improvements.

For more information, please refer to the attendance policy on our school website.

#### **Nut Free School**

We would like to remind parent/carers whose children have packed lunches that we are nut free school. This means packed lunches should **not** have any food items which contain nuts.

#### **Hand Sanitiser**

Now that we are coming to the season where there are colds and other viruses and bugs are doing the rounds, we are ensuring that hand sanitiser is in every classroom, office and toilet area for all to use. Parents are asked to make school aware if their child has a skin condition/allergy which prevents them from using the school sanitiser.

#### **Email Addresses**

Should you wish to contact your child's class teacher you can do so by emailing the class email. However, this should not be used to report a child absent. All absence calls should be made to the school office.

#### **Important Notices**

- Parent/Carers and those collecting children at the end of the day need to remain behind the cones. A member of SLT and/or a TA will be available to speak to if you have any concerns.
- Now that the icy weather is upon us, it is important to stick to gritted paths, for H&S reasons, when entering and leaving the school site.
- For H&S and safeguarding reasons, playgrounds will be open from 8:35am.
- To keep children and others safe, parents/carers must ensure their child/ren do not run around, ride their bicycles/scooters, etc whilst on the school site. Again, this is for H&S reasons.

## Class News

This week in Nursery, the pupils are learning to identify animals and name their babies. In maths, pupils are continuing to subitise the number 5. We have introduced our new story 'Monkey Puzzle' by Julia Donaldson in English lessons. In Reception, we have been investigating longer and shorter lengths in maths. We have also started reading the book 'The Queen's Hat.' Well done Early Years for a fantastic week!

This week in KS1, we have been enjoying starting our new units in science and history. In science, we have been learning about materials and their properties and why inventors need to consider what materials are suitable to use. In history, we have been learning about the Tudors. We have enjoyed learning about the differences between rich Tudors and poor Tudors and also learning about Tudor life and how different it was compared to modern Britain.

This week in LKS2, we have been working super hard on our new book "Escape to Pompeii". The children have really immersed themselves in this book due to our previous learning about Pompeii in history. The children have also been challenging themselves in long division in maths and learning new tricks such as bus stop method which allows the children to now solve a wider array of math's problems. A solid first week back LKS2 keep it up!

This week in UKS2, we have picked up where we left off in English and continue to read our novel, "When Hitler Stole Pink Rabbit". We have loved following Max and Anna on their journey around the world so far and are interested to see what happens as the Nazis continue to do diabolical things to the Jews. We have begun learning our new light unit in science and it is so interesting to learn about the colours of the rainbow at a year 6 level! We have had a great first week back and can't believe there are only 4 weeks left already!

"Pupils at West Road Primary Academy are proud to be part of the school community."

We are proud of some of the comments Ofsted said about our school.

## West Road PRIMARY ACADEMY

There is a respectful culture in the school.

Throughout the school, there is a strong sense of togetherness among pupils.

Children in the early years get off to a strong start to their education.

The school ensures that reading is at the heart of the curriculum.

Pupils know the importance of being tolerant and treating others with respect.

## Trust Pledges

Our Brighter Futures Learning Partnership Trust (BFLPT) Pledges have been co-constructed with our schools to support the development of the whole child. We want our students and pupils to leave our Trust with the knowledge, confidence and skills to be successful in the future so they can access high quality careers and fulfil their dreams and ambitions.

We have high expectations of our children and young people in terms of their behaviour and attitudes, with a strong focus on good manners, reliability, and punctuality. We also expect them to commit to the following pledges which will take learning beyond the boundaries of traditional learning, helping them widen their school experiences and become active citizens. Our pledges will also ensure that all young people can benefit from the same experiences and opportunities to help them have a rewarding and fulfilling life.

The pledges will enable children to participate actively, lead by example and commit to the service of others.

|

Our Pledges:

1. **Fully participate in the life of the school** – this could mean being part of the school leadership, making a difference to other pupils in the school, leading on an initiative such as ECO schools, leading a reading group, leading a debate, writing a school play, taking on an ambassadorial role either in school or out, learn to ride a bike or lead a healthy school's initiative.
2. **Participate in at least 3 assemblies** or contribute to organising a class activity or key event in the school.
3. **Engage in an activity / participate in a community-based project.**
4. **Attend an experience/ visit that extends beyond the curriculum** and that is outside of the child's familiar context or Doncaster.
5. **Take part either on stage or behind the scenes in a school production.**
6. **Be an advocate for the environment and sustainability of the school and beyond** – this could include completing regular litter picks, improving the school environment, help organise a recycling scheme, lead a gardening/environmental project.
7. **Plan, organise and participate in a fundraising event** which is pupil led.
8. **Represent the Trust in a sporting, cultural or academic event.**
9. **Take part in a residential trip.**
10. **Visit a place of significant cultural difference** within the UK.
11. **Take part in a formal presentation to an audience-** this may include learning a group dance, reciting poetry, singing a song in assembly, playing a musical instrument.
12. **Be enterprising** – this may include selling something you have made, opening and run a school shop, raising money for charity, taking part in service outside the school such as scouts, police cadets.

## Social Media Influencers

### What is an Influencer?

An influencer is somebody on a social media platform such as YouTube and Instagram, who have a high number of followers. Influencers share their opinions/ideas and may be paid to advertise/promote products through their account.

### What should I be concerned about?

Whilst there are some great influencers, there are some that choose to share content that is for example, misogynistic, racist or misleading. These opinions can be expressed or interpreted as fact, so it is important to talk to your child and encourage them to fact check and critically analyse what they see and hear online.

### What we see on social media

What we see is influenced by algorithms, which predict what type of content we are most likely to interact with. Whilst there are benefits of algorithms, it can mean that once we start looking at certain content, our social media feed can become more aligned with that opinion, creating an echo chamber and therefore we do not see a balanced picture. Find out more here: <https://www.childnet.com/blog/allgorithms/>

### What can I do to help my child?

Talk to your child about social media and who they follow. If there is anybody that you are unsure of, then check their feed and discuss with your child if you find anything worrying.

## Fortnite Battle Royale

Fortnite Battle Royale is rated PEGI 12 due to moderate violence, meaning it is not suitable for children under the age of 12.

### What is Fortnite?

There are different versions of Fortnite, including Fortnite Battle Royale, which is free to play (although it contains in-app purchases). In Battle Royale, up to one hundred players compete against each other until one winner remains.

### What do I need to be aware of?

- **Chatting and inappropriate language:** Fortnite includes voice and text chat, which may mean your child encounters strangers and may hear inappropriate language. Ensure your child knows how to report/block any players that make them feel uncomfortable.
- **In app purchases:** Players can purchase V-Bucks so make sure you restrict purchases and do not store your card details.

### Parental Controls

Fortnite provides several parental controls in your child's Epic account to help you create a safer environment for your child. The controls allow you to:

- disable voice chat
- filter language
- manage which experiences your child can access based on their age
- set a PIN to add friends
- set a PIN for purchases
- set time limits
- set appropriate privacy settings.

Also, remember to set up age-appropriate parental controls on the device your child is playing on.

### Reporting/Blocking Features

As always, ensure your child knows how to use the reporting and blocking features and that they know they should talk to you or another trusted adult if anything concerns them.

### Further information

You can find out more here:

## Get to know age ratings

Age ratings exist to help protect your child, so we thought we'd provide you with a little reminder of how important it is to check the age ratings of what your child is accessing online. Here are the age ratings of some of the more popular apps that young people are accessing.

Whether your child is viewing films, accessing apps, playing games online or using social media – make sure you check the age rating first to see if your child is old enough. In addition, the likes of PEGI (Pan European Game Information) provide further content descriptors, which will give you an indication of the type of content that your child might view e.g. violence or bad language.

### What else should I review?

It is important to note that whilst age ratings do allow you to see if something may be appropriate for your child, it is also important to review the content yourself. This will allow you to make an informed decision as to whether it is suitable for your child to access and if it would be beneficial to apply further parental controls. For example, does it include the ability to communicate with others and are in game/app purchases available?

### What else can I do?

- Explain the importance of age ratings to your child and how they protect them.
- Go online together to see what your child is accessing.
- Set up parental controls on your broadband, devices and on any individual apps that your child is using. This will reduce the chances of them accessing or viewing anything unsuitable.
- Chat to your child regularly about what they are doing online and as always, remind your child that if anything is worrying them then they should talk to you or another trusted adult.

## Smartphone Free Childhood

Smartphone Free Childhood is a parent-led movement whose mission is to protect children from the dangers of using smartphones too young.

The premise behind this movement is that all parents/carers of a class all agree not to give their children smartphones (therefore the level of peer pressure is reduced) for a set time or until a specific age. Are you ready to join? Find out more here:

<https://smartphonefreechildhood.co.uk>

## Digital differences between men and women revealed
